*"We have stepped beyond the doorway of past and future. We express in the NOW and this is where our truth lays - deep within. You are so much more than you realise, this is the moment to open and awaken to the divine song of your spirit and truth of your soul. Come join us in the magick and mystery of the Inner Doorways of the Cosmos, it is time" - Light of Thoth*

*"Our day together will be spent in co-creation. I have been receiving transmissions and integration through the 'Thirteenth Element' - the Thirteenth door of Initiation and infinite light. As the many wheels of our life turn we realise our truth and let go of what was". - Victoria.*

We are being given the opportunity to awaken and enhance our connections to the Inner Earth, the Gateway of Amenti - the gateway of all consciousness. These keys assist in the realisation that creation is within us and that through this divine knowledge WE CAN BE anything through joy and love. We are only just beginning.

*This moment we have together will bring profound change if we allow it. We will create a foundation and platform to step forward in 2015 and to learn to create our own destiny. "There is no other that can do this but you. It is time to embrace your strength and deep wisdom to make the changes in your life NOW, TO BE ALL that your heart sings for".*

You will hear the pure sounds of the Crystal Tones Singing Bowls, chimes, Language of Light, voice tones and chants. through deep meditation and awakening and you will step into your heart at a very profound level and honour all aspects of yourself - the shadow - the light - in divine, unconditional love.

*“The sound and light transmissions and initiations of Amenti will awaken the DNA, spiral within and encompass a ‘new way of Be-in-g’. Sacred fire will ignite into a divine consciousness that brings great light as it enters through the great central doorway – the Heart. Here is found the keys of all knowing, all teachings and all wisdom – the sacred Keys of Amenti. The moment is NOW”* Light of the Guardians - Great Halls of Amenti
