### The Journey Begins -

#### Day One: Rennes le Chateau

This beautiful place was once the seat of the Temple of Isis and has been dedicated to Mary Magdalene for over a thousand years.

We will spend time visiting the famously encoded church dedicated to Magdalene and visit the local museum and learn much of the history of this amazing place that has inspired books such as 'The Da Vinci Code'

**Breakfast, lunch & dinner included  
Overnight Grail Haven**

## Sunday, 18<sup>th</sup>

#### Day Two: Montsegur Castle

The 45 minute rocky ascent on foot to the Montségur Castle has magnificent views but more importantly it is the symbol of Catharism and 'The Church of Love'. It is also famous for the brave sacrifice of 220 Cathars, who in 1244 chose death rather than renounce their faith. Meditation at this site will be a powerful experience. We will also be blessed to visit the Village Church, where the Black Madonna is honoured.

**Breakfast, lunch & dinner included  
Overnight Grail Haven**

## Monday, 19<sup>th</sup>

#### Day Three: Minerve & Lagrasse

Today we visit the 'Dove of Minerve', the Village Church in the quaint town of Minerve - one of the important sites of the Cathar people. On July 22, 1210, on the Feast of Mary Magdalene many were persecuted for their belief in the 'Way of Love'. This transformational experience will be extended with an afternoon visit to the healing waters of Le Gras. **Breakfast, lunch & dinner included. Overnight Grail Haven**

## Tuesday, 20<sup>th</sup>

#### Day Four: Carcassonne

The old City of Carcassonne is a unique example of a fortified medieval city, and is also known for its Cathar beliefs and history. In ancient times, Carcassonne was a major commercial and ceremonial center for the Druids and the Phoenicians. We will experience this City and have time to shop and enjoy the local cuisine.

**Breakfast & dinner included. Overnight Grail Haven**

**Wednesday, 21<sup>st</sup>**

**Day Five: Arles**

Today we take a five hour drive to Arles which we will use as a base to visit the local Magdalene sites. There will be time to explore the old Roman City and enjoy some lunch and shopping as well.

There is also the beautiful St. Trophimus Church and the Church of Mary Magdalene.

**Breakfast included. Overnight Arles (included).**

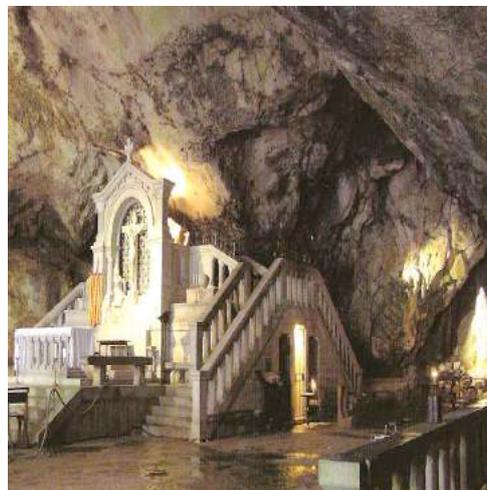

**Thursday, 22<sup>nd</sup> - EQUINOX**

**Day Six: Equinox - Grotte La Sainte Baume**

At the time of the Autumn Equinox, we will visit Mary Magdalene's Grotto. It is about a 40 minute ascent to this mystical cave, the 'Grotte La Sainte Baume' where Magdalene is said to have passed the last years of her life and written her memoirs. This site is also sacred to Isis and the natural water course here is believed to have healing powers. We spend our time here before returning to your own time in Arles.

**Breakfast & lunch included. Overnight in Arles.**

**Friday, 23<sup>rd</sup>**

**Day Seven: Saintes-Maries-de-la-Mer & Saint-Maximin-la-Sainte-Baume**

This beautiful fishing town on the Mediterranean Sea glimmers with sunshine and charm – one that inspired Vincent van Gogh, who captured the streets and seascape of Saintes Marie de la Mer.

According to Provençal traditions, Mary Magdalene arrived here by boat from the Holy Land with her daughter Sarah. Other stories speak of the 'three Marys' - the three Saints - Mary Magdalene, Mary Salome and Mary Jacobe, whose relics are the focus of the devotions of many pilgrims. These

women are believed to be the first witnesses to the empty tomb at the resurrection of Jesus. After the Crucifixion of Jesus, Mary Salome, Mary Jacobe, and Mary Magdalene were said to set sail from Alexandria, Egypt with their uncle Joseph of Arimathea and many others, including 'Sara' a dark-skinned women who is said to have possibly been the Egyptian servant to the three Marys. 'Saint Sara', the Black Madonna, is revered by the Gypsies who celebrate her through yearly celebration.

Fortified Church Saintes Marie de la Mer

## 23<sup>rd</sup> Continued

On the way back to Arles, we will visit the impressive and sacred Saint Maximin Basilica in Saint-Maximin-la-Sainte-Baume. The little town was transformed by the well-published discovery, 12 December 1279, in the crypt of Saint-Maximin, of a sarcophagus that was proclaimed to be the tomb of Mary Magdalene. We will experience these energies before heading back to Arles for the night. **Breakfast and lunch included. Overnight in Arles**

## Saturday 24<sup>th</sup>

### Day Eight: Return to Grail Haven via Aigues-Morte

We say goodbye to Arles as we head towards Grail Haven. We will visit the thousand-year-old 'snail Village', Aigues-Morte, purposefully built in a spiral. This area holds energies of the Templar Knights. We will visit the medieval church where a tiny Black Madonna was found in the wall in the 18th century. We will be able to enjoy lunch here as well.

**Breakfast & dinner included.  
Overnight Grail Haven**

## Sunday 25<sup>th</sup>

### Day Nine: Mt Bugarach

Mount Bugarach is the site of an ancient Essene community. The mountain is limestone which creates very powerful energies through the caves created beneath. This area is also deeply connected to Goddess/Venus/Isis vibration. This will be a powerful day of remembrance, and connection to the Divine Feminine and Masculine. It is also known for a high number of UFO sightings!

We will head off early for about a six hour drive to Lourdes, a climatic part of our journey. We will buy lunch along the way.

Lourdes is known as a major pilgrimage site where many millions of people visit every year, particularly to the Grotto of Massabielle where, in 1858, the Virgin Mary is said to have appeared 18 times to a young 14 year old girl, Bernadette Soubirous. Since her death, Bernadette's body has not appeared to age.

The first night we will join the religious procession of Our Lady. **Breakfast included. Overnight Lourdes.**

**Wednesday 28<sup>th</sup>**

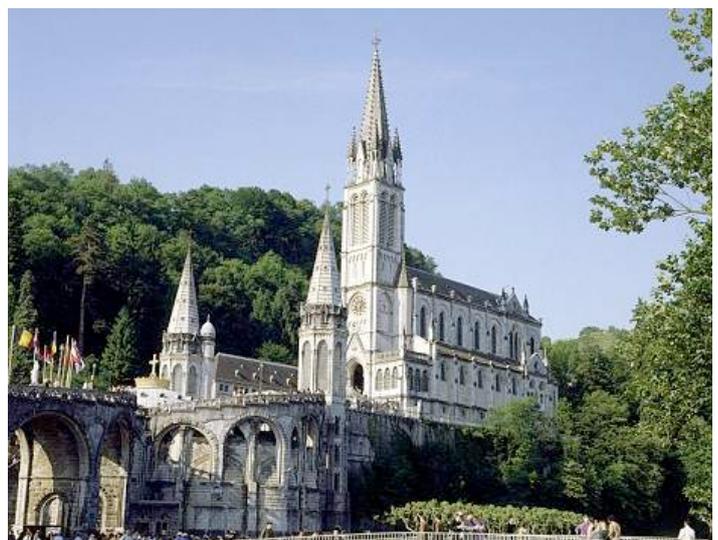

**Day Twelve: Lourdes**

During one of Bernadette's visions of 'Mary', she was instructed to tell the Priest to build a chapel here at the Grotto. A natural spring developed, when the 14 year old girl dug in the dirt at the site of the apparitions. The waters from this spring are now piped into local baths, from which many miracles have been reported.

I'm sure we will want to experience the healing properties ourselves, so bring your bathing costume to enjoy a relaxing day at the baths.

Later that night we can watch the procession from a high vantage point.

**Breakfast included. Overnight Lourdes**

If

**Thursday 29<sup>th</sup>**

## About the Facilitators

### Victoria Webby...

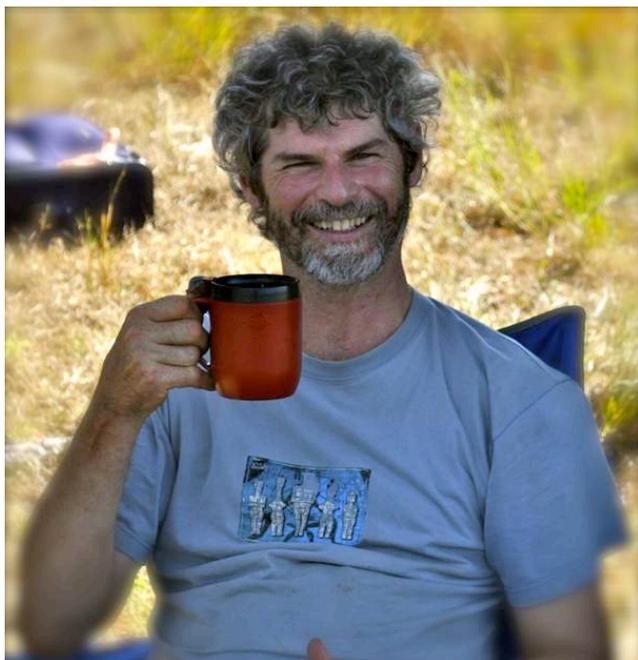

“This calling to France has surfaced from deep within. I am very excited to be sharing this journey with David and Richard and with all that are called. This time in 2016 is huge in awakening us to our ‘inner core’. This journey will be a catalyst for such change. It is not only a year of endings (number 9) but also a huge leap in our consciousness as Masters and the last few months of 2016 are so divinely orchestrated for us to let go of resistance and to simply ‘BE the grace of our hearts through Mastery’! It is going to be a deep and transforming experience. Come join us as we visit places that will assist in our awakening and remembrance of deepest LOVE”.

**“THIS IS THE MOMENT, come share the joy, come BE the One.”**

## Facilitators cont...

Victoria awoke to the words from Source: 'your path is the awakening of hearts'. She is a catalyst for people to create deep change in their lives and to see clearly their journey through the way of L.O.V.E – “Light of Voice Eternal” that is innately within all, just waiting to awaken.

Victoria is a loving Channel and Medium, Blueprint Originator, Encoder and Deliverer, consciously weaving sound and light codes and transmissions through guidance and teachings from the Cosmic Heart. She channels sacred sound – Language of Heart (Language of Light), voice toning, chants, energies and songs. She has facilitated meditations, gatherings and seminars in Australia and overseas for the past twelve years. She simply hears the voice of our loving higher collective consciousness and acts upon it. [www.thecosmicdoorway.com](http://www.thecosmicdoorway.com)

## David Webby...

“In my wildest dreams I did not think we would be heading to France in 2016, so it is amazing how life flows when the timing is right and one surrenders to the calling. I got very excited researching the proposed journey, particularly the energies of Mary Magdalene and the Cathars, as if I have been here before. Maybe this trip will resonant with you too”.

There have been many significant leaps in my spiritual growth over my life, and certainly my marriage to Victoria has proven to be one of them, in many ways. Since 2010, we have travelled together conducting gatherings/seminars in India, Malaysia, Singapore, and Australia. Our journeys have included Spiritual Journeys to the Kimberley's in Australia, New Zealand, Hawaii, and recently to Peru and Bolivia in 2015.

I continue to support and assist Victoria in sharing with others our joy, wisdom and love through sound and the divine energies available to all of us. It is wonderful to come together with like-minded Souls, interested in self-transformation.

## Richard De Welles...

“We are so very pleased to have Richard with us as a guide. He has such a deep wisdom and knowledge for the sacred lands and places we will be seeing. His down to earth nature and rich mind will make it a truly inspiring experience. We are blessed!”

He has practiced the art of crystal healing for over twenty five years, and has an extensive knowledge of esoteric subjects and is the co-author of; ‘Grailhaven, The Journey to a Sacred Well’.
